Are you ready? #HFHchallenge

Hi <name>

August is a very special month at Home from Home. It's when our loyal supporters set themselves a challenge to help raise funds for our children.

It's so easy. All you need to do is **decide what you want to do and get friends, family or colleagues to sponsor you**. Every cent raised goes towards providing safe, stable and loving homes for these vulnerable children.

1. You can commit to our **specialty designed wellness challenge** with an activity every day. From meditation, exercise and decluttering to detox and random acts of kindness – you'll love our 31 day programme. Read all about it [here](#) and sign-up if you'd like to take part.
2. You can also commit to a **daily act** like practicing yoga or walking every day.
3. You can also **give up something** like chocolate, sugar, junk food and alcohol - you can then donate what you would have spent on your 'vice' during the month of August.

Get active on social media to spread the word and don't forget to document your endeavour using #HFHChallenge. To register your challenge visit <http://www.homefromhome.org.za/challenges.html>

What will your challenge be?

Kind regards
